Should you fail to maintain the required insurance throughout the life of the loan, Altra Federal Credit Union may (but shall not be required to and without prejudice to its rights if it does not) purchase a policy for its own protection and pass the cost of the policy on to you, the borrower. Altra Federal Credit Union may, but is not required to, attempt to contact you prior to purchasing the insurance. Altra Federal Credit Union may add the premium to your loan. This may cause an increase to your regular payments. A policy purchased by Altra Federal Credit Union does not cover your state legal insurance requirements.
